CARRIER OBJECTIVES

Seeking an opportunity in your organization to expand the knowledge and skills that I have acquired, allowing, encouraging innovation, creativity and also contribute my effort towards the attainment of the achievement and objectives of this organization.

EDUCATIONAL BACKGROUND

Basic Education:

I was privileged to acquire my basic education at Graceland International School. I graduated with aggregate 09 in my Basic Education Certificate Exams.

Secondary Education:

My qualifications landed me entry to one of the prestigious second cycle institutions in Ghana, Accra Academy. I pursued General Science and came out with 6 A's 2 B's in the West African Senior School Certificate Examination.

Tertiary Education:

I am an alumni of the University Of Ghana. I was offered one of the most sought for Courses at the university, Bachelor of Science in Computer Engineering. I graduated with a second class honors (Upper division) with a Final GPA of 3.12

LEADERSHIP ROLES

The hidden leadership qualities I bore made me a favorable option for various leadership position back in school and at church.

- I was elected on numerous occasions as a class leader during the early stages of my educational ladder.
- I lead a team of aspiring computer engineers in their final year to come out with one of the best final year projects which qualified us for an A in grading our final year project assignment.
- I am also an assistant to a pastor of a church. This has taught me great lesson on how to interact with people and steer the affairs of a group to meet desired objectives.
